To Whom It May Concern:

Durell Control Systems is authorized by CommScope Solutions Canada Inc. to offer the Extended Product and Application Assurance Warranties on installed Uniprise structured cabling systems in their contracted territory of Ontario.

As a CommScope Authorized BusinessPartner, Durell employs personnel that have completed the required installation training courses, assuring their clients of a quality installation.

The choice of a structured cabling system backed by the industry's leading supplier, CommScope, and installed by a skilled, professional BusinessPartner like Durell Control ensures excellent investment protection in your cabling infrastructure.

Sincerely,

A handwritten signature in black ink, appearing to read "Robert Kostash". The signature is fluid and cursive, with a long horizontal flourish extending to the right.
